FREDi is a service of the Northwest Food Processors Association. FREDi is your connection to the food processing industry, fostering innovation between the companies and people that make the country's best food.

FREDI TRAINING & COMPLIANCE CENTER

WHAT IS **FREDI**?

FREDi is workforce education with a training system **developed exclusively for the food processing industry**.

Food safety and standards modules assist with compliance, with **automatic digital documentation** for all workforce training and procedures. The Training & Compliance Center is available 24/7 from anywhere with Internet access.

TAKE **YOUR PICK**

- GMP Employee Training
- SQF Implementation Training
- FSSC 22000 Training
- BRC Implementation Training
- HACCP or HARPC Preventative Controls
- OSHA Reporting Tool
- HR policies, compensation and legal compliance

TEST DRIVE THE FREDI TRAINING & COMPLIANCE CENTER!

To schedule a demo, contact: **Tom Merrick**
VP Sales, Succeed Management Solutions
